

THE
1954

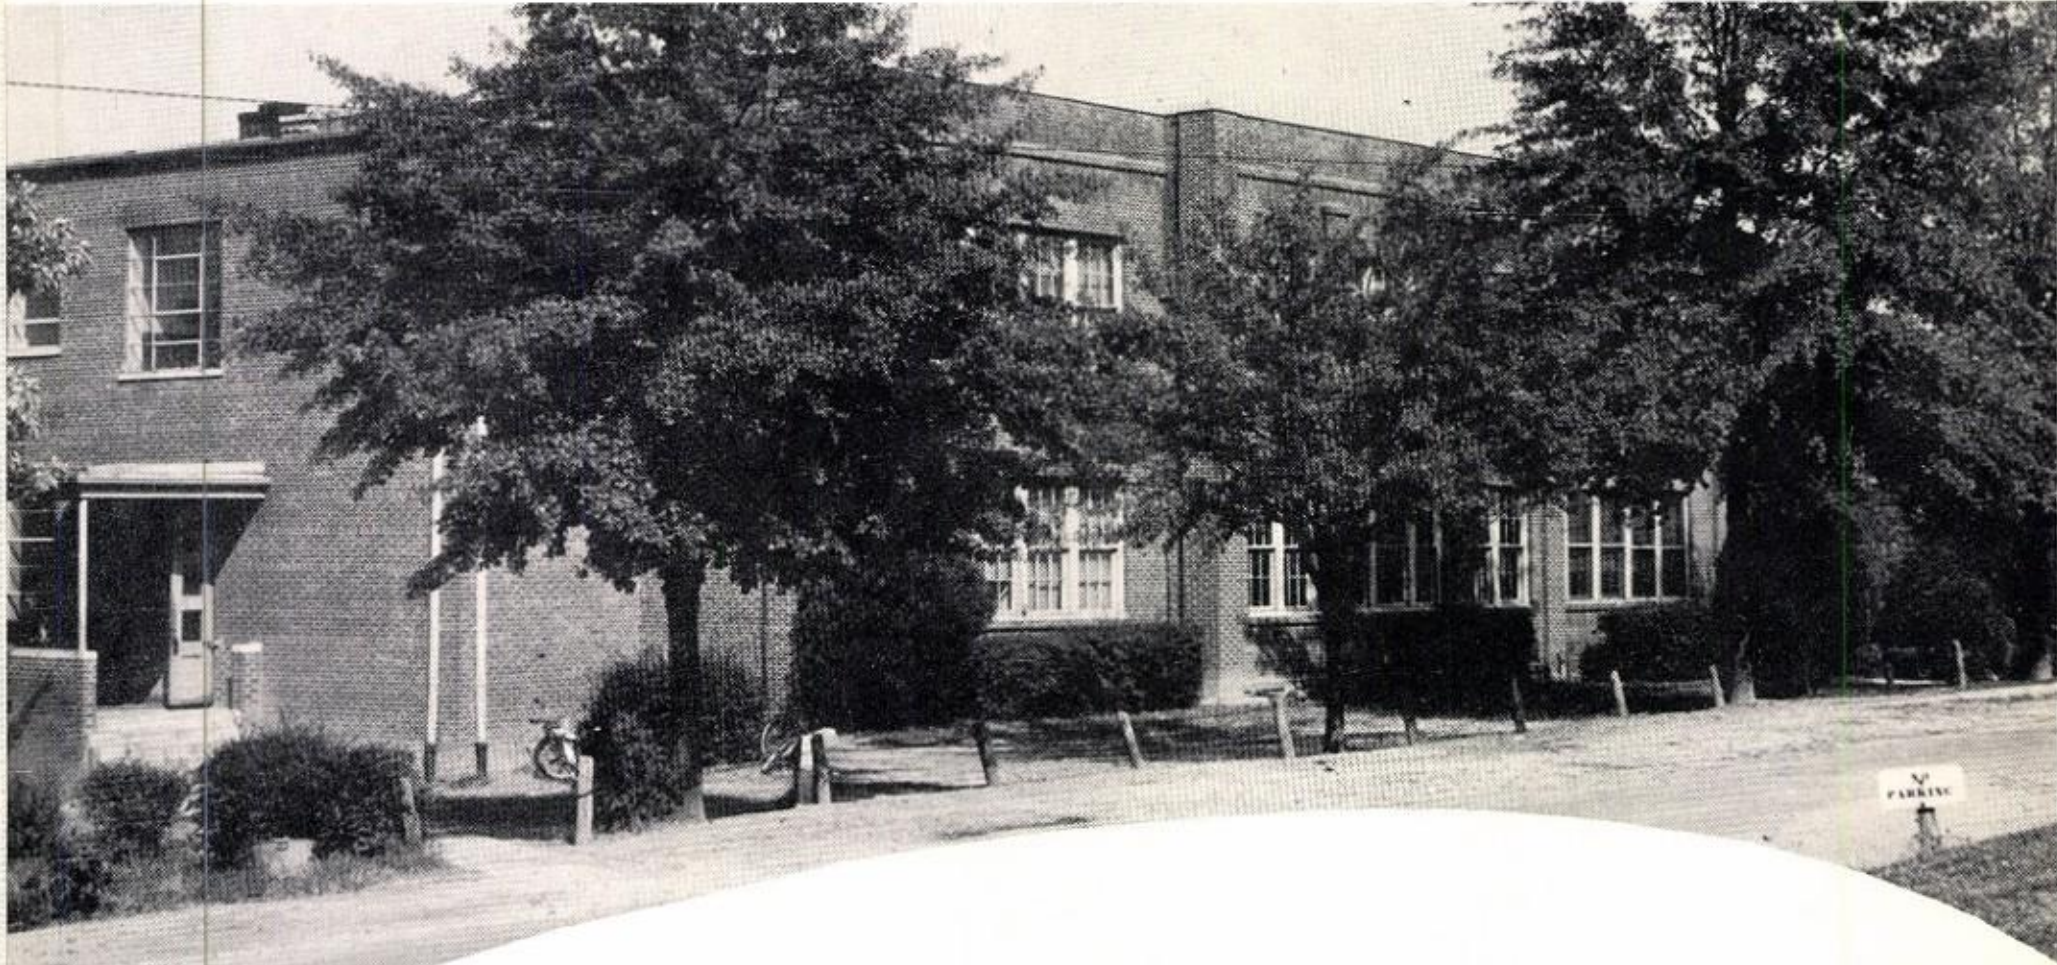

the **BAGPIPE** 1954

Presented by the Students of
LANDRUM SCHOOL
Landrum, South Carolina

• FOREWORD

Time does much to dim the past and the memories which we would like to keep. It is our sincerest wish that the Bagpipe of 1954 will help us and those to come relive the days when we were students at Landrum High School.

The Junior Homemakers Association is an organization of girls enrolled in Home Economics and other individuals interested in Home Economics.

The three letters, J. H. A. not only designate the name of the organization but also stand for the qualities of all good homemakers, Judgement, Health, and Achievement.

The organization gives the girls an excellent opportunity to develop group leadership and fellowship. The members conduct their own meetings and are responsible for activities which develop leadership and co-operation.

The general aim of the organization is a well rounded personality for every girl and a happy home for every family.

Some activities in the 1953-54 term include State J. H. A. and F. F. A. meetings, participation in county fair, welfare projects, county J. H. A. Mother-Daughter entertainment, District meetings and contests, fashion show, and prepared banquets.

F. F. A.

We, as Future Farmers of America, believe in the future of farming, leadership from ourselves, and that rural America can and will hold true to the best traditions in national and home life. As our motto states:

WE ARE

LEARNING BY DOING
DOING TO LEARN
EARNING TO LIVE
LIVING TO SERVE.

The Landrum School Band was organized in July 1953, with 24 members. By Christmas, membership had grown to 34 with instrumentation almost complete.

The Landrum musicians were combined with players from other beginner groups in District 1 to present concerts for the Teachers' Conference at Inman and P.T.A. meetings at Landrum, Inman, and Campobello. The combined bands also marched in Christmas-Time parades at Inman and Spartanburg.

The National Beta Club is a non-secret, achievement, service organization for high school students. Its purpose is the promotion of honesty, service, and leadership. Membership is limited to second year students who maintain a scholastic rating of 90, show a commendable attitude, and possess good character.

The Camera Club of Landrum High School, organized in 1953-54, has as its purpose training its members in better methods of using the camera and visual aid equipment. Students are given an opportunity to cover all phases of school life with their photography. This Club has proven invaluable in providing pictures for the yearbook as well as many for personal albums.
